Program Information

| | |
|---|--|
| Requirements for admission to early childhood (EC) degree program. Include admission requirements | Metropolitan State University shall admit students with completed application files who are able to benefit from the educational offerings of the institution. Undergraduate Admission Procedure. A. New first year students. To be considered for admission to the university as a new first year student, students shall have completed courses determined to be college preparatory or which provide mastery of equivalent competencies in grades 9-12 as defined by MnSCU Policy. B. Transfer students. Must have a cumulative GPA of 2.0 or better and must have a level of academic achievement that is at least equal to the standard required for good academic standing at the transfer institution. |
| Requirements to enroll in EC classes. List any special prerequisites | All incoming freshman having no college credit are required to complete the placement tests that include basic measures of reading, writing, and mathematics. All other new students, including transfer and readmitted students will be evaluated through the degree auditing process to determine whether an exemption should be granted.
